Dear Club Members,

I hope everyone had their fill of Mardi Gras and are ready for Spring!

I would like to thank everyone who attended our new member reception and greeted our new neighborhood members. We are very happy to have them and it has been great seeing new faces around the club.

We had a wonderful turnout to our Valentine's Day Dinner. Everyone raved about how delicious their food was. We will be having our monthly Wine Dinner on March 18th. The last Wine Dinner was a complete sell out so make sure you get your reservations in today as seating is limited

We will be having our Cash Bash Drawdown on March 31st. The cost of a ticket is \$100 and gives you a chance to win \$10,000 and admission for two to the event. You are guaranteed to have a great time and any money made will go to improvements around the club.

We have several other great events this month. Ladies' Night Out is March 2nd. These events are very popular so make sure you get your reservation in. We will also have a party in the 19th Hole to Kickoff our Thursday Afternoon Golf on March 16th. Trivia or better known as "The Chris Conte Show" will be on March 23rd.

Our superintendent Richard Lynn and his crew have done a wonderful job in getting our course moving in the right direction. We know that it will be in great condition for our spring tournament schedule.

Brooks has been busy booking activities for the golf course. Be sure to check out the course and play a few rounds.

Sincerely,

Craig Mathews

Please be aware that all accounts that are 70 days or greater past due will call for a suspension of rights of the club. There will be no exception to this rule! All accounts that are past due will receive a \$25.00 late fee and will be subject to a finance charge.
